

We all want a good life but our hearts have become darkened with sin.

The answer is found in the Bible.

There we learn God created the earth and everything in it, including the first man and woman.

He gave them everything to enjoy.

Yet for them to show God how they loved Him, He told them to not eat fruit from a certain tree.

They ate the fruit anyway.

Then their hearts became darkened with sin.

God sent them out of the garden.

Their darkened heart of sin was passed down to their children and their children's children until the whole earth became full of sin.

God provided a solution.

He came to earth and was born a man.

His name was Jesus.

Jesus was filled with God's Holy Spirit and offered love and healing to every darkened heart.

Some people refused Jesus' love.

They preferred their own darkened hearts and encouraged others to turn against Jesus.

They killed Jesus by nailing Him to a cross.

God put this darkened heart on Jesus even though He was sinless.

With His death, Jesus took the punishment we all deserve for our sin.

He was buried for three days.

Jesus rose from the grave and gave us His Holy Spirit to help us live for Him.

Jesus went up to Heaven to prepare a place for us.

Now we each have a decision to make.

We cannot fix our own darkened sinful heart.

That is why Jesus died on the cross and God raised Him from the dead.

We need to now place our trust in Jesus to clean our heart and save us from sin.

Will you place your trust in Jesus and live with Him for all eternity?
